From Karen's Sewing Room

Hello Ladies!

I'm sure many of you have heard me say that I have the attention span of a gnat and that I am easily lead a-stray by clever, cute projects. Well, this month I am going to take you down the merry path along with me. I'm going to introduce you to my other fabric passion, which is rug making. We are going to take a look at a few of the methods used to make rugs both past and present. Trust me, we can clean out your fabric stash in no time! See you at the meeting.
